

CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

ADAPT 260

If work means calls via multiple devices, choose a wireless headset that fits with your dynamic working style in the hybrid workplace. Lightweight, portable and wireless, this flexible audio companion keeps you at peak performance.

Key Benefits

Up to 27 hours battery life

Reliable performance wherever and however you work.

Jump straight into Teams meetings

Via dedicated Microsoft Teams button.

Optimal call clarity

With noise-cancelling microphone to filter out ambient noise.

Enjoy EPOS Voice™ technology

For a more natural listening experience.

Get a personalized fit

With an adjustable, flexible headband.

Avoid acoustic shock on calls

With EPOS ActiveGard® technology.

Smart noise limiter

Enable noise limitation according to European and Australian standards via EPOS Connect.

Key Features

Maximize your comfort and productivity

With thick, soft, on-ear leatherette ear pads, enabling all-day comfort and passive noise damping.

Extremely portable to keep you moving

With a smart fold-flat ear cup design and carry pouch, simply pack up and move on to your next working task.

Enjoy flexible connectivity and great audio

Connect wirelessly via Bluetooth® to two of your favourite devices simultaneously and enjoy renowned stereo sound.

Microsoft Teams certified and UC optimized

Certified for Microsoft Teams and optimized for UC for a seamless user experience that boosts your productivity.

Stay stylish with sleek design

Look good at work or on-the-go with contemporary design and a boom arm that folds discreetly into the headband.

What's in the Box

* May vary depending on product variant.
