

# CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

# IMPACT 460T

Be heard on any call with a wired headset for hybrid workers that delivers value for money. Advanced noise-filtering technology transmits your voice instead of unwanted noise, while the speakers deliver exceptional sound so that you don't miss a word.

## Key Benefits

### Single-sided busylight

Busylight signals when you're on call while completely invisible when not active.

### Optimized for UC platforms

Designed to work with leading UC platforms like Microsoft, Zoom, Google Meet etc.

### Lift-to-mute feature

Simply lift/lower the boom arm while on a call to mute/unmute your microphone.

### Mute LED on microphone

Prominent LED on the microphone lets you know when you're muted at a glance.

### Built for portability

Easy to carry thanks to its ultralight design that folds flat when not in use.

### USB-C to USB-A adapter

Connect to any USB-A or USB-C devices using the included adapter.

### Integrates with EPOS Connect & Manager

Tap into the EPOS ecosystem to get firmware updates, tweak settings, & more.

### Direct connection to Android devices

Plug directly into any USB-C-enabled Android device for instant calls.

### Made for the open office (T-VARIANTS ONLY)

Meets the rigorous Microsoft Teams Open Office requirements for mic quality.

### Dedicated Teams button (T-VARIANTS ONLY)

Teams button on the ear cup lets you easily join meetings with a single click.

# Key Features

**Unmatched value for money**

Meets the rigorous Microsoft Teams Open Office requirements, providing uncompromising value at a competitive price point.

**Clear voice transmission**

Dual-microphone system with advanced filtering algorithms transmits less unwanted noise and ensures clear calls.

**Comfortable design for all-day wear**

Soft noise-dampening ear pads, ultralight design, and a padded headband reduce wearing fatigue and let you stay in the flow.

**Designed for convenience**

Plug-and-play connectivity and intuitive features like lift-to-mute help to minimize friction and boost your productivity.

**Great sound for uninterrupted focus**

Professional-grade speakers and a sound profile tuned for calls ensure that you don't miss any important details.
