

CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

ADAPT 560 II

The ADAPT 560 II features a new headband and softer earpads for long-term wearing comfort. A foldable boom arm optimizes voice pick-up while ANC reduces background noise. Switch between two Bluetooth® devices using multi-point connectivity and benefit from up to 41 hours of talk time.

Key Benefits

Switch effortlessly between your favorite devices

Enjoy multi-point connectivity via Bluetooth® to mobile and softphone simultaneously. BTD 800 USB-A dongle connects to your PC.

Up to 46 hours battery life

Reliable performance wherever and however you work.

Stay in touch with your surroundings

EPOS Voice™ technology enables you to interact without removing the headset.

Launch Microsoft Teams instantly

Dedicated button for Microsoft Teams via BTD 800 USB-A.

Store easily with portable carry case

Compact carry case includes USB dongle and USB-C cable.

Key Features

Enjoy all-day wearing comfort

Low impact headband and softer earpads remove potential pressure points ensuring a comfortable fit in the office or on the move.

Slide the boom arm away for a sleek look

The smart and practical boom arm design seamlessly integrates into the earcup and can be retracted when not on a call.

Ensure clear calls with UC certified solution

Certified for Microsoft Teams and optimized for UC.

Concentrate anytime, anywhere with ANC

4 ANC microphones reduce background noise to increase work focus, together with plush ear pads for good sound isolation.

Get clearer calls on demand

The sleek, foldable boom arm and 2 advanced microphones optimize voice pick up for clearer office and mobile calls.
