

CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

IMPACT 100

The IMPACT 100 is an entry level headset that delivers exceptional value for money. With smart features that enhance efficiency and an ultra-lightweight design, it is an ideal headset for talk heavy professionals.

Key Benefits

Advanced noise cancelling microphone

The uni-directional microphone and noise cancelling algorithms improve call quality.

Versatile and flexible boom arm

Wear the boom arm on either the left or right side according to preference.

Easy to locate mute button

Placed at the top of the in-line controller and featuring a unique shape for easy location.

Control your settings with EPOS Connect

Easy headset management with EPOS Connect app, available for mobile, desktop or web.

Sustainable FSC packaging

Plastic free packaging and materials from responsibly managed forests.

Dedicated Microsoft Teams button (Teams variants only)

The LED on the in-line controller flashes informing you of recent Teams notifications.

Soft silicone side support (mono variants only)

The soft silicone support on mono headsets provides a comfortable fit on your head.

Key Features

Professional quality and affordable audio for everyone

Get exceptional value for money with this entry-level headset certified for Microsoft Teams and leading UC platforms.

Ultra-light design for all-day comfort

The lightest stereo headset in its category, featuring a slim, soft silicone headband and leatherette ear pads.

Guaranteed durability for daily use

High-quality materials and robust design make the IMPACT 100 a headset you can rely on, even in the most demanding settings.

Smart buttons for effortless call control

The in-line controller features backlit buttons with distinctive shapes, ensuring effortless call control.

Convenient USB-C and USB-A connectivity

Connect easily with any office set-up with the included USB-C to USB-A adapter.
