

# CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

# IMPACT 1060T ANC

IMPACT 1060T is designed for the New Open Office environment. Built on EPOS BrainAdapt™ technology to reduce brain fatigue with adaptive ANC and industry-leading voice pickup powered by EPOS AI™, making sure you're getting your message through.

reddot winner 2023

## Key Benefits

### Superior EPOS sound

Super wideband audio and stereo sound deliver clear speech in noisy open offices.

### Triple connectivity

Stay connected wirelessly with up to three devices at the same time.

### Wireless charging stand

Charge your headset easily without the hassle of wires and plugs.

### EPOS BrainAdapt™ technology

Better focus for both sides via ANC, EPOS AI™, and industry leading voice pick-up.

### TalkThrough

Communicate easily with in-office colleagues without removing the headset.

### Smart features

Initiate, end, and mute calls by moving the boom arm or taking the headset on/off.

### Adaptive digital microphones

Adaptive microphone technology delivers industry-leading voice pickup.

### 360-degree busylight

Intuitive busylight clearly signals when you're on call and not to be disturbed.

### Convenient carry pouch

Let's you easily carry the headset between your work and home office.

# Key Features

## Stay comfortable throughout the day

Lightweight design, soft breathable cushions, and headband padding allow for all-day wearing comfort in the open office.

## Industry-leading voice pickup for focused conversations

Adaptive microphone technology powered by EPOS AI™ makes sure you're getting your message through.

## Experience true convenience

Wireless charging stand and smart features make using the headset truly intuitive and hassle-free.

## Protect your brain in the open office

Hybrid adaptive ANC effectively shuts down noise and helps your brain focus even in busy open office environments.

## A new market standard for open office headsets

Experience a superior open office headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.
