

CRAFTED FOR CLARITY

Elevate every call with clarity and comfort. The **Impact and Adapt series** bring premium performance to modern workspaces with **advanced noise-cancellation**, **intelligent voice pickup**, and **seamless connectivity**. Whether in the office or on the move, experience superior sound and refined design built for professionals.

IMPACT 860T ANC

The next generation headset for desk workers in the New Open Office. Increase efficiency by 40%* by improving reaction time while multi-tasking to maintain accuracy with EPOS BrainAdapt™, industry-leading voice pickup by EPOS AI™ and adaptive ANC.

reddot winner 2024

Key Benefits

Superior EPOS sound

Super wideband audio & stereo sound deliver clear speech in noisy open offices.

EPOS BrainAdapt™ technology

Focus with Active Noise Cancelling, EPOS AI™, and industry-leading voice pickup.

Adaptive digital microphones

Adaptive beamforming microphones deliver industry-leading voice pickup.

TalkThrough

Communicate easily with in-office colleagues without removing the headset.

360-degree busylight

Intuitive busylight clearly signals when you're on call and not to be disturbed.

Smart features

Initiate, end, and mute calls by moving the boom arm or taking the headset on/off.

Convenient carry pouch

Carry the headset easily between your work and home office.

Multiple connection options

Includes a USB-C to USB-A adapter for flexible, future-proof ease of use.

ActiveGard™ for hearing safety

ActiveGard™ technology prevent loud spikes and support noise-at-work compliance.

Feel great throughout the day

Be comfortable with a lightweight headset with soft cushions and headband padding.

Key Features

A new market standard for open office headsets

Enjoy a superior open office headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.

Industry-leading voice pickup for focused conversations

Microphone technology powered by EPOS AI™ makes sure you get your message through no matter the level of background noise.

Protect Your Brain in the Open Office

Hybrid adaptive ANC effectively shuts down noise & helps your brain focus even in busy open office environments.

Stay comfortable throughout the day

A lightweight design, soft breathable cushions, and headband padding allow for all-day wearing comfort.

Experience true ease of use

Smart features and plug-and-play connectivity via USB-C cable make using the headset truly intuitive and hassle-free.
