

CORPORATE SOCIAL RESPONSIBILITY

As a responsible corporate citizen, Konica Minolta India is constantly working towards the development of people, and communities at large. CSR programmes at Konica Minolta India reflect our pursuit of building a resilient and sustainable society specially in current prevailing pandemic times. Our CSR interventions focus on overall development of underprivileged sections of society by emphasizing on Food & nutrition, health & hygiene, education, skill development and livelihood support.

Below are the proposed programs to be implemented in FY 2021-22 which are approved by our Board:

#	Projects	CSR Partner/NGO	Programme	Project Locations	Execution Schedule
