Giving Shape to Ideas

**bizhub**  
4000P

## *High productivity meets intuitive ease of use*

*Ready to meet the business needs of all users, from SOHO to small and mid-size workgroups*

Workgroups

Executive Suites

Back Offices

Satellite Offices

- Fast print speeds of up to 40PPM (A4) and first print time from Ready as fast as 6.5 seconds.
- User friendly operation panel and front access
- Energy-saving Eco Mode
- Paper-saving auto duplex as standard and N-up printing

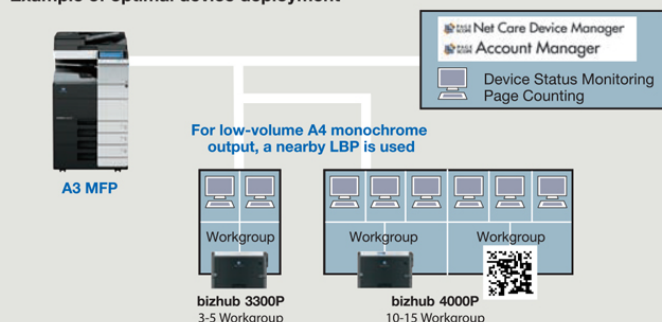

# An A4 monochrome printer that drives all-round efficiency

## Drive Efficiency

With a time to first print from Ready as quick as 6.5 seconds and fast output speed of up to 40ppm (A4), the new bizhub makes light work of all common office output jobs. The optional paper trays can boost paper capacity up to 2,000 sheets 4000P, reducing downtime caused by empty paper trays. Konica Minolta's PageScope Utilities software (PageScope Net Care Device Manager, Page Scope Account Manager) allows status monitoring and consumables management of multiple devices as well as page counting. The software is the same as that used with Konica Minolta's A3 MFPs, easing the job of administrators.

### Example of optimal device deployment

A central A3 MFP is used for high-volume/high-quality color output, while high-speed monochrome page printers are located within each workgroup area. Users can select the most suitable printer for a particular job, so many routine office printing tasks can be completed without leaving the workgroup area. In addition, efficient device management is possible using similar management utility software for all devices.

## Outstanding Ease of Use

The PCL, PS and XPS-compatible driver software for the bizhub 4000P series has the same user interface design as the drivers for Konica Minolta's A3 MFPs, and includes acclaimed features such as the My Tab function.

The LCD display with easy-to-use animated navigation makes adjusting settings quick and intuitive. Changing toner cartridges and paper is also quick and simple thanks to front access to the unit, and the compact body allows greater flexibility in placement.

bizhub 4000P

## Eco-Friendly Features

The eco-friendly design of the bizhub 4000P series helps to preserve our environment and saves operating costs as well. A special Eco Mode reduces power consumption, as well as toner and paper use, while a hibernation setting allows the unit to consume as little as 0.5W of power when not in use—leading to even higher savings than the standard sleep mode. The application of automatic duplex and N-up printing drastically reduces paper usage of many day-to-day printing jobs.

### bizhub 4000P Specifications

Model Name	bizhub 4000P
Standard Functions	Digital Mono Duplex Printer
Type	Desktop
Speed (LTR/A4)	42 ppm/40 ppm
Print Resolution	1200 x 1200 dpi
Memory Capacity (Std/Max)	256 MB/1.28 GB
Image Loss	4mm (0.16 inch) or less on all 4 edges of the media.
First Print Time	As fast as 6.5 seconds from Ready & 9 seconds from Sleep
Hard-Disk Drive	None
Max Paper Size (WxL)	8.5" x 14"
Std Output Tray Capacity	150 sheets
Multipurpose Feeder Capacity/Weights	100 sheets/60-163 g/m <sup>2</sup>
Std/Max Paper Sources	2/5
Standard Paper Capacity	350 Sheets= 250-Sheet Tray + 100-sheet MPF
Max Paper Capacity	2000 Sheets=1 x 250-Sheet Tray + 100 MPF + 3 x 550-Sheet Tray (Optional)
Standard Input Tray	60-120g/m <sup>2</sup>
Operating Systems	Windows 7/7 x64 Edition, Windows Vista/Vista x64 Edition, Windows XP/XP x64 Edition Server 2003/2003 x64 Edition, Server 2008/2008 x64 Edition, Server 2008 R2 MAC OS X (10.3.9/10.4/10.5/10.6/10.7)
Duplex	Standard
Power Requirements	AC 100-127, 220-240 (50-60 Hz)
Display/Characters	2.4inch color LCD
Dimensions (HxWxD)	262.7mm x 399mm x 382mm
Weight (Base Unit)	15kg
